A Closer Look at the USJA Coaches' Portal

Running a tournament? Bringing your students to a clinic or event? Ever wonder how you can quickly and easily check on the membership and/or promotion status of a USJA member?

It's time for you to check out the USJA's Coach Portal. This online service is free to USJA Club leaders and enables you to view your own club roster and/or verify the status of a USJA member at any time from your PC, Laptop, or smartphone. When we installed our new database 4 years ago, the Board of Directors decided that we would go the extra mile and make it interactive. This was an additional $12,000 expense, but well worth it. Contact Robin Ridley, membership@usja-judo.org, at our National office to get started today!

Go to the Coach Portal: http://www.usjacoach.com/login.asp

FIRST, you will see the log-in page. Call or e-mail the USJA National office for your Username and temporary Password if you do not have one.

NOTE: Some of the text in this sample is blurred deliberately to provide privacy.
SECOND: logging in will take you to the Home navigation page.
NOTE: "Tournament" at the top right allows you to look up & verify a member of any USJA club.

THIRD: Clicking on the "Members" menu (circled above) will bring up this quick reference list for your club. You can click on any name for details (see next page).
FOURTH: you can view details about a specific member.
